## NOTES:

- 1. This fee worksheet is based on best information available at the time, gathered from research and reference to available fee schedules, agency invoices, consultant estimates, etc. All fees should be verified prior to payment.
- 2. Fee calculation formulas are based on current agency fee schedules and are subject to change.
- 3. Construction valuation was calculated based on City's 2019-2020 Master Fee Schedule's Construction Data for "Homes for the Elderly" Type I construction of \$128 per SF. On 6/30/20 city estimated construction valuation of \$11,584,452.
- 4. Bond amounts are not included in fee totals
- 5. Per Building Dept. Plan-checker at City Building Department project will be treated as residential for building permit fee determinations.
- 6. Per estimates from Project Manager of \$400,000 for shoring and \$800,000 for grading.
- 7. Demolition valuations per estimates from Project Manager
- 8. Public Improvement Valuation based on Civil Engineer's 1/12/21 Offsite Engineer's Estimate
